TENNIS PROGRAM RATES

TUESDAY

Grooving Ground-strokes: 10:00–11:00 am

In this clinic we work on the fundamentals of forehands and back-hands. Nothing is more fundamental than the fundamentals.

WEDNESDAY

Super Serves and Rocket Returns: 10:00–11:00 am

Improve the most important shot in tennis, the serve. Plus we'll teach you how to neutralize your opponent without having to swing so hard on the return.

THURSDAY

Vicious Volleys and Overheads: 10:00–11:00 am

For those who want to greatly improve their doubles play this is mandatory. Once you get the feeling for those shots you will be guaranteed to win a lot of points.

FRIDAY

Offense – Defense(Creating Strategies): 10:00–11:00 am

One third of all your shots in tennis are defensive shots. Let us teach you how to handle them. We'll also show you how to take advantage of offensive opportunities.

SATURDAY

Doubles Strategy: 10:00–11:00 am

The key to doubles is simply knowing when and how to play each of the four positions. Once you've got this under your belt, you'll play a mean game of doubles.
